

PackageSure

Bespoke insurance coverage for the Packaging Industry

Who is PackageSure for?

PackageSure is built for businesses across the packaging sector that need specialist insurance, including:

- Paper & Cardboard Packaging Companies
- Plastic Packaging Manufacturers
- Protective Packaging Companies
- Food & Drink Packaging Companies
- Eco-Packaging Specialists

Why choose PackageSure?

- **Built with Trusted UK Insurers** - Through our exclusive in-house facility, we work directly with A-rated insurers to develop policy terms that are tailored and right for your business.
- **Sector-specific policies** - Built for companies operating across the packaging sector, rather than adapted from a generic trades policy.
- **Expert support** - Direct access to a specialist team providing practical guidance on complex insurance needs.
- **All-in-one insurance partner** - Through Acrisure, we support your wider business and personal needs, including employee benefits and healthcare, trade credit solutions and high-net-worth cover for directors.
