

TimberSure

Bespoke insurance coverage for Structural Timber, Carpentry and Joinery companies

Who is TimberSure for?

TimberSure is for businesses operating in the woodworking sector, including:

- Carpenters and joiners
- Cabinet makers and furniture manufacturers
- Timber erectors and associated woodworking trades

Why choose TimberSure?

- **Built with Trusted UK Insurers** – Through our exclusive in-house facility, we work directly with A-rated insurers to develop policy terms that are tailored and right for your business.
- **Sector-specific policies** – Built for Structural Timber, Carpentry and Joinery Companies, rather than adapted from a generic trades policy.
- **Expert support** – Direct access to a specialist team providing practical guidance on complex insurance needs.
- **All-in-one insurance partner** – Through Acrisure, we support your wider business and personal needs, including employee benefits and healthcare, trade credit solutions and high-net-worth cover for directors.

Key benefits

- ✓ Public and Products Liability up to **£50m**
- ✓ Professional Indemnity from **£250k to £20m**
- ✓ Employers' Liability standard limit **£10m**
- ✓ Efficacy Cover Protection, Operator Error Cover, and Pure Financial Loss Extension
- ✓ Average Free Property Damage Wording and coverage for Woodburner-heated Workshops
- ✓ Unlimited Height, Depth & Hot Works coverage – tailored as required

Why partner with us

Backed by 25+ years' industry experience, our team delivers tailored solutions that protect your operations and provide peace of mind, with exceptional service from policy inception to claims support.
